Charity Gaming Summary 2005

July 1, 2005

During fiscal year 2005 (July 1, 2004, through June 30, 2005), the Indiana General Assembly's enactment of Senate Bill 140, defined "qualified personal property" and "tangible personal property," and added two new licenses: water raffle and annual door-prize.

More than 400 new licenses were registered with Charity Gaming in FY05, versus FY04. In addition, Charity Gaming brought in more than \$3.9 million in license fees, which is an increase of more than \$200,000 from FY04.

The number of Charity Gaming violations went down during FY05. The total number decreased from 85 in FY04 to 61 violations in FY05. The amount collected from assessed penalties was more than \$134,000.

Charity Gaming transferred \$4 million into the Build Indiana Fund in FY05, up by \$1 million from FY04. The Build Indiana Fund was created to keep local property taxes down by paying for capital projects in communities across the state.

The Department of Revenue also hosted four additional Charity Gaming seminars, totaling seven statewide in FY05. The seminars provided education topics such as: nonprofit legislative changes, rules and regulations and bookkeeping.

Administrative Highlights 2005

The Department transferred \$4 million into the Build Indiana Fund in FY05.

The Charity Gaming section of the Indiana Department of Revenue was created to administer charity gaming laws. This section, along with field investigators from the Criminal Investigation Division, strives to see that licensed organizations are operating in accordance with charity-gaming laws and regulations. Under IC 4-32-10-6, the Department of Revenue is required to remit charity gaming surplus revenue into the Build Indiana Fund. This revenue is generated by license fees, as well as excise taxes and penalties. The Department deposited \$4 million into this fund during FY05.

Taxpayer Assistance

During FY05, the Charity Gaming Section assisted 205 taxpayers in the walk-in assistance center, and answered 22,808 phone calls, compared to 23,909 phone calls in FY04. The taxpayers were assisted with various issues, such as accessing, compiling and submitting forms.

Form Revision

The Department has revised the following Charity Gaming and other related forms: Publication 2; CG-2R - Annual Renewal Bingo License Application; CG-2 - Annual Bingo License Application; CG-3 - Single Event License Application; CG-8 - Annual Bingo License Financial Report; CG-9 – Single Event Financial Report; CG-AEL - Application for Exemption Letter for Non-Licensed Event; CG-INV - Operator/Worker Ending Inventory Statement; and GCE-103 – Gaming Card Excise Tax Return.

Legislation

The 2005 Indiana General Assembly enacted Senate Bill 140 relating to charity gaming, which states:

Senate Enrolled Act 140

Effective July 1, 2005, the Senate Enrolled Act 140 redefines “qualified personal property” and “tangible personal property” as well as adds two new types of licenses: water raffle and annual door prize.

“Qualified personal property” is defined as any personal property leased by a qualified organization that is designed to be **used on a body of water** to conduct a raffle associated with the qualified organizations allowable raffle event. The lease or rental of qualified personal property has no limit on the amount that may be paid. The amount paid for leased qualified personal property may not be based in whole or in part to the revenue generated from the event.

Administrative Highlights

Assembly

140 that

gaming in
Indiana.**

“Tangible personal property” is defined as personal property (equipment) used to conduct a charity gaming event. Equipment that is considered under this definition would be, but is not limited to: bingo machines, blowers, tables, chairs, raffle drums, poker or black jack tables and roulette wheels. The lease or rental of any tangible personal property is limited to \$50 per event/day.

A Water Raffle License is needed when organizations hold a water raffle as a fundraising event. This license allows an organization to sell floating devices to be used on a body of water. The floating device is marked with a number corresponding to the number on the raffle ticket purchased by the participant. The winner shall be determined by the number on the floating device that crosses the finish line first.

An Annual Door-Prize License is needed when organizations hold multiple door-prize drawings at fundraising events. Organizations may be licensed to conduct an “annual door-prize.” This license allows an organization to conduct multiple drawings to determine the winners, based solely on attendance.

Manufacturers and Distributors

**Annual License Fees:
Manufacturers-
\$3,000;
Distributors-
\$2,000.**

All business entities desiring to manufacture, distribute or sell the following items in Indiana must be licensed by the Indiana Department of Revenue. These items include Bingo sheets, devices, equipment and other supplies used in playing Bingo, as well as pull tabs, punchboards and tip boards.

A manufacturer's annual license fee is \$3,000. There were 16 manufacturer's licenses issued in FY05. The total fee collected was \$48,000.

A distributor's annual license fee is \$2,000. There were 55 distributor's licenses issued in FY05. The total fee collected was \$110,000.

An excise tax is imposed on the distribution of pull tabs, punchboards and tip boards, in the amount of 10 percent of the wholesale price. For FY05, manufacturers and distributors paid excise tax totaling \$1,238,401 -- representing 565 payments.

Seminars

“The seminar was excellent. The speakers were knowledgeable and answered all of my questions fully.”
--Seminar Attendee

Education is one of the major missions within the Department of Revenue. During FY05 seven educational seminars were conducted around the state, with an emphasis on education. The Department’s Charity Gaming staff share information on important topics such as nonprofit legislative changes, rules and regulations and bookkeeping, among others.

The seven full-day seminars were well received and attended by 414 individuals representing nonprofit organizations, attorneys, accountants, auditors and criminal investigators. They have proven to be a valuable tool in helping groups understand and comply with the Indiana codes and regulations.

Statistics

Every organization that holds a charity gaming license is required to file a financial report for each license. The statistics are based on financial reports which were received during the state's FY05 (July 1, 2004 through June 30, 2005). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event.

The following information was obtained from Form CG-8 (Annual Bingo Financial Reports) and Form CG-9 (Single Event Financial Report) received during FY05. The number of licenses issued during the fiscal year may differ from the number of financial reports actually *received* during the fiscal year due to licenses being issued prior to the event.

Information pertaining to nonprofit organizations is available for public inspection according to state code IC 6-2.1-8-4. This includes all applications for exemption and all annual reports filed by the nonprofit organizations under IC 6-2.1-3-19; IC 6-2.1-3-20; IC 6-2.1-3-21; and IC 6-2.1-3-22, which also includes information on the above mentioned forms.

Some organization names may appear more than once in the following listings for any of the following reasons:

- More than one type of charity gaming license may be held at a time;
- An unlimited number of door-prize, raffle and special-bingo licenses may be issued to organizations during the same year, as long as all required applications and fees have been received and approved by the Indiana Department of Revenue; and
- The organizations were late in filing or filed amended financial reports for the previous year.
